The Heritage Walk 2025 is organised by RCCG Cornerstone Parish, Loughborough, as part of our ongoing commitment to community, faith, and cultural preservation.

Rooted in the biblical vision of restoration from Isaiah 61:4, the walk aims to reconnect people with the spiritual and historical landmarks of our town, while creating space for prayer, reflection, and shared stories. It is a public invitation to walk, remember, and reclaim sacred spaces that have long served our communities.

# About Us

The Heritage Walk is a community prayer and awareness walk through historic church landmarks in Loughborough. Organised by RCCG Cornerstone Parish, the event brings together people of all ages and backgrounds to explore faith, heritage, and restoration. Stops include St Peter's Church, Emmanuel Church, All Saints with Holy Trinity, and a community gathering at Southfields Park for testimonials, prayers, and speeches.

This is more than a walk—it's a spiritual and cultural experience aimed at rebuilding connections with our local history and one another. RCCG Cornerstone Parish is a vibrant, Christ-centred church in Loughborough, part of the worldwide Redeemed Christian Church of God (RCCG). We are committed to building a community where people of all backgrounds can encounter God, grow spiritually, and impact the world around them.
